THE MOST UNLIKELY PLACES.”
— RALPH WALDO EMERSON**

The Wildflower is a nature chic wedding for the couple that is free spirited, lovers of the outdoors, and admirers of simplicity.

Our packages are designed for an uncomplicated stress free experience. We empower you to create exactly what you want for your special day. Like a wildflower, you are not bound to any specific way or idea.

Imagine your wedding ceremony lakeside, overlooking the trees, with the sun shining through on your celebration. You and your favorite person beneath a beautiful arch in front of your loved ones, this is a wildflower wedding. We invite you to host your guests to a reception on our gorgeous terrace with the best views of Lake Gregory, complete with a large stage, plenty of room for dancing, and a stone fireplace to complete the romantic setting.
